

Smestow Valley Leisure Ride

Difficulty – easy, suitable for inexperienced adults and children of all ages

Environment - 95% traffic free. Sections of the canal towpath from Bratch Lock onwards can be narrow and will be shared with walkers and anglers at times. Cyclists are requested to show consideration for all other users of the canal.

Advice – Cyclists are advised that they may need to obtain a towpath permit from British Waterways before undertaking the canal section. These can be obtained free of charge from your nearest British Waterways office

Time – 2 Hours at a moderate pace.
