

## Response to Request for Information

Reference EIR 000276  
Date 26 April 2019

### *Noise complaints related to construction sites*

#### Request:

This is a Freedom of Information (FOI) request for the following information.

- How many noise complaints related to construction sites, or any form of building works have you received over the past 3 years please use date range March 2016 - March 2019?
- Please include data for commercial construction as well as domestic building work?
- Please list each year's quantity separately?
- If possible, please also state why the noise complaint was made?

Thank you for your request for information about the above, which we are dealing under the Environmental Information Regulations 2004 rather than Freedom of Information request.

In response to your request please find our response attached.
