# Stay home, stay safe

NHS

In the fight against coronavirus, we've all got a role to play
To protect our friends and family by keeping the germs at bay.

The people in charge have come up with a clever plan
For all of us to stay at home as much as we can.

No going to the playground and, for many, no school
(Though I bet most of you think that's pretty cool!)

It also means for a while you won't see your best mate
And I know this isn't going to be quite as great.

So use Skype or Facetime to stay in touch with your chums
And keep on practising your spelling and your sums!

Please don't worry
– it's not all doom
and gloom,

We hope you'll see
your friends again
pretty soon!
