

# Stay safe!

## Social distancing inside our shop

We've introduced some social distancing measures for your safety, comfort and peace of mind.

### One in, one out

During busy periods we may need to limit the number of people inside our shop.

### Please keep 2m apart

Both outside and inside the shop, please maintain a safe distance from one another.

### Where possible, pay contactless

To reduce the amount of cash we handle, where possible pay contactless.
