**The ethos of this Academy is that of a Church of England Comprehensive School which exists primarily to meet the needs of Church of England parents who wish their children to be educated by a system which introduces the student to an understanding of life based on the Christian faith as taught by the Church of England.**

**Worship is at the heart of all the school's activities, either in school or at St.Peter's Collegiate Church. We ask all parents applying for a place here to respect this ethos and its importance to the school community. This does not affect the right of parents of a faith other than Church of England to apply for and be considered for a place here.**
