businessgrants](http://wolverhampton.gov.uk/businessgrants)

Eligible businesses now have the potential to secure grants of up to £2,000 from the Council's Covid Compliant Scheme to help fund cleaning supplies, hand sanitiser and other practices to help reduce the spread of the virus ahead of the busy festive period, and to assist with restrictions set by government for Plan B. The limit has been increased from £1,000 and businesses that have previously received a grant from the Covid Compliant Scheme are eligible for additional funds.

RETAIL IMPROVEMENT GRANT SCHEME

This grant will support independent retail businesses (which could include charity shops, restaurants, cafes, bars, takeaways, hair and beauty salons, professional services) to improve window displays and shop layouts through a 100% grant support programme of up to £5,000 per business. Grants will be offered on a first come first served basis. Like for like schemes or general maintenance work will not be eligible.

Further details, conditions, eligibility criteria and how to apply can be found [HERE](#)

LOW CARBON GRANT SCHEME

The council is offering a 100% grant support programme of up to £5,000 to support eligible businesses in all sectors operating from commercial premises in Wolverhampton who are looking to improve resource efficiency or implement new processes that help the business move towards net zero carbon. Applicants must be able to demonstrate how they are moving towards net zero carbon and the positive impact on the business. Grants will be offered on a first come first served basis.
