This brochure provides details of the memorials and the appropriate order forms to help you with your selection.

Samples are on view at Bushbury Crematorium.

If you require any assistance on completing the order or need further advice, please do not hesitate to contact

**Bereavement Services on 01902 554992
or Bushbury Crematorium on 01902 556070.**

Book of Remembrance

Located at Bushbury Crematorium

Placed in our Remembrance Room and overlooking the Garden of Remembrance, your loved ones will feature permanently in our Remembrance Book. You will be able to revisit your tribute every year on the anniversary of the death and our electronic book allows you to read your inscription online at www.scribesplus.co.uk/wolverhampton

Memorial Cards

In addition to the Book of Remembrance, you may order a Memorial Card to carry with you. Cards are usually an exact copy of your book entry or if you prefer, the message can be altered to suit your requirement.

Sanctum Vaults

*Available at
Bushbury Crematorium & Danescourt Cemetery*

The Sanctum Vault is a grey granite upright memorial with a black granite plaque. The price includes silver lettering, vase and a standard oak casket, if you require a motif or ceramic photograph there is an additional charge. The Sanctum will hold a maximum of two sets of cremated remains and it would be possible to witness the interment of your loved one. The Sanctum is purchased with a 10 year lease and can be renewed after this time for a nominal cost. If the lease is not renewed the plaque and remains will be removed.

Arboria

Our Arboria Plaque is a natural timber veneered memorial displayed in the Floral Tribute room. Memorials are leased for a period of 10 years and you would have priority when it comes to renewing the lease. In addition to the words on your memorial, you may also choose motifs or a ceramic portrait. If the lease is not renewed the plaque will be removed.

Moseley Vase at Bushbury

Plaques are set in a vase block made of granite, allowing a personalised memorial in memory only of your loved one. Unfortunately vase blocks cannot accommodate the remains although we can advise you on alternative arrangements. At Bushbury we can arrange for you to scatter the cremated remains in the Woodland Garden. The Moseley Vases at Bushbury are purchased with a 10 year lease.

Moseley Vases

Memorial Planter

Available at Bilston Cemetery

Our attractive hexagonal planter is planted twice a year with seasonal flowers or shrubs. Memorial plaques are made of black granite with gold lettering and are fixed to the walls of the planter for a lasting memorial. Plaques can accommodate three lines of your personal message along with a vase at the base of the planter for flowers.

Memorial Wall Plaques

Available at Bilston Cemetery

The Plaques are a lasting memorial to your loved one including a personal message, motif or photograph. At Bilston we can arrange for you to scatter the cremated remains on the grassed area next to this feature.

Other Memorials

Available at Merridale Cemetery

Our mature cemeteries offer a varied choice of memorials. Merridale offers a granite plaque in the formation of a cross and the cremated remains can be placed with the plaque, holding a maximum of two sets. The granite kerbstone memorial edges the pathways and allows the cremated remains to be placed in the ground directly behind the memorial.
