### Part 2b: Equalities Monitoring Information (voluntary)

City of Wolverhampton Council as a public sector organisation has a responsibility to ensure that we do not unfairly discriminate in the services we provide and are accessible to everyone. In order to do this, the Council collects equality monitoring data.

#### Why do we want to know these things about you?

It is very important for City of Wolverhampton Council to collect information about respondents to understand whether the feedback we get from these surveys is representative of our resident population. You are welcome to complete these optional questions. The disclosure of this data is treated in the strictest confidence.
