Declaration: Register information may only be used as specified in Part IV of Representation of the People Regulations 2001.

It may be used for electoral purposes and to facilitate the democratic process; it must not be used for commercial purposes.

Under the Regulations referred to above, anyone who fails to observe these conditions may be guilty of an offence.

The penalty is a fine of up to level 5 on the standard scale (currently £5,000)

After the election if you are not elected you should confidentially destroy these lists you have been supplied with or return to the Elections Office when you submit your expenses return.
