REPORT LOCAL ISSUES

CITY OF WOLVERHAMPTON COUNCIL

Spotted a problem in Wolverhampton?

Use the Love Clean Streets app.

Capture the exact location, clear photos and all the details we need, helping us process your report quickly and efficiently.

Report it in seconds in 3 easy steps

1. **Location** — Pin the exact place
2. **Details** — Add photo and details
3. **Send** — Submit the complete report

What can you report?

Choose the category that most closely matches the problem.

- Potholes
- Road and Highway defects
- Pavement and footpath defects
- Highway Drainage and Flooding
- Missing Gully tops
- Faulty Street lights
- Faulty pedestrian crossings
- Street name plate maintenance
- Grit bins
- Collection of Traffic Management items
- Traffic signal damage
- Traffic signal timing fault
- VMS sign query or fault

Place the map pin accurately - the categories shown in the app can depend on the selected location.
