Emissions Control, Waste and Contaminated Land

Request:

How much money your local authority spent enforcing regulations on emissions control, waste and contaminated land (separately) in 1995, 2005 and 2015 (separately).

In respect of your above question relating to the years 1995 and 2005, it has been established after careful consideration that the Council does not hold the above information. Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Act, that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".

In respect of the year 2015, it has been established after careful consideration that the Council does not hold the above information in the categories you are specifically requesting as from 2014 officers are generic and can undertake multiple functions. Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Act, that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".

How many FTE staff you had employed on emissions control, waste and contaminated land (separately) in 1995, 2005 and 2015 (separately).

Whether the income received from industry charges for these regulatory activities covers the full costs incurred by your authority?

The costs incurred from regulatory activities varies from year to year and does not always cover the full costs of all required regulation.
