LA-PPC and LA-IPPC Processes

Request:

I am writing to request details of LA-PPC and LA-IPPC processes regulated by your council under the Environmental Permitting (England and Wales) (Amendment) Regulations 2012.

- 1) We would like to request details of all (current and historic): Part A(1) Authorised Processes, Part A(2) installations and Part B permits in your area, [In respect of question 1 above, it has been established after careful consideration that the Council does not hold information relating to historic data. Consequently, we are unable to provide information relating to this particular area, and are informing you as required by Section 1\(1\) \(a\) of the Act, that states:](#)

["Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".](#)

[For the remaining part of the question please see the table provided on page 3.](#)

including the following information if available: your reference for the permit, the name and address of the permit holder, the address for which the permit is granted, the grid reference, the date of issue, the process undertaken, and the current status of the permit.

[In response to your above question, please see table provided on page 3.](#)

[However, please note with reference to your question on "the grid reference" it has been established after careful consideration that the Council does not hold this information. Consequently, we are unable to provide information relating to this particular area, and are informing you as required by Section 1\(1\) \(a\) of the Act, that states:](#)

["Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".](#)

[NOT PROTECTIVELY MARKED]

- 2) In addition, we would also like to request details of any enforcement notices issued relating to breaches of the terms of the above permits since our last recorded update on 22/08/2013. Where none have been issued we would be grateful if you could confirm as such.
[We have not undertaken any enforcement action/notices in relation to our existing installations.](#)
