Public Grass Maintenance

Request:

I would like to ask a couple of questions regarding how Wolverhampton City Council manages its lawns.

- How much money does Wolverhampton City Council spend on public grass maintenance each year?
The figure provided for 2016 – 2017 are actual expenditure incurred in relation to City Wide Street Cleansing **and** Grounds Maintenance. We do not hold the analysis to specify costs relating to grounds maintenance - 2016/17 = £4,422,577
- Who is responsible for this spend? Please include their name, email address and telephone number?
