

## Response to Request for Information

Reference EIR 000144  
Date 2 June 2017

### ***No idling Zones/Areas***

#### **Request:**

I am looking at obtaining the following information from your authority:

- How many 'no idling zones/areas' were in operation in your local authority in the calendar years 2014, 2015 & 2016? [The are no idling zones/areas in Wolverhampton.](#)
- How many £20 fixed penalty notices have been issued by your authority to drivers for leaving engines running (after being asked to switch engines off) in the calendar years 2014, 2015, 2016? [None](#)
- How many environment protection officers were employed by your authority in the calendar years 2014, 2015, 2016 and at present?  
[We do not employ Environment Protection Officers as we do not have any no idling zones and therefore have no enforcement officers associated with this. As Public Protection we employ a range of officers who undertake a range of functions some that would be classed as Environmental protection, but as they are generic officers they also undertake a wide range of other issues.](#)
