CITY OF WOLVERHAMPTON COUNCIL

## **Response to Request for Information**

ReferenceEIR 000238Date3 September 2018

## **Planning Applications**

## **Request:**

Please can you list all the planning applications that have been received by the council for major residential sites (100 homes or more) over the past 5 years.

Please include the name of the developer who has submitted the application and the outcome of the application (whether planning permission was granted).

We can confirm that the department holds information that you have asked for in relation to the above. However, the information is exempt under Regulation 6 (1) (a) of the Environmental Information Regulations which relate to Information already publicly available and easily accessible in another form or format.

The exception applies as the information is published and publicly available to view by accessing <u>http://www.wolverhampton.gov.uk/article/507/Planning</u>

Once in the site go into 'Advanced Search' and put in Development type 'LS Major 200+ Dwellings' and then 'Small Scale 190 – 199 Major Dwelling' and the dates you require. I have attached a screenshot showing this.
