On Street Charging Points

Request:

I am writing to request the following information under the Freedom of Information Act from the Council.

Please note that any use of the phrase "On Street Charging Point" refers to the installation of charging points for electric vehicles in on-street locations with the primary purpose of being used by residents.

QUESTION 1

1)   Has your council applied for funding from the government's 'On Street Residential Chargepoint Scheme'? (The scheme that is being run by OLEV and the Energy Saving Trust). No

If your answer to question 1 is YES, please answer question 2:

QUESTION 2

2 a) How much government money has your council been granted to date through the 'On Street Residential Chargepoint Scheme'?
2 b) How many on street charging points has your council installed to date, using funding from the''On Street Residential Chargepoint Scheme'?
2 c) How many on street charging points had your council already installed <u>before</u> applying for the 'On Street Residential Chargepoint Scheme'? (to include any on street charging points that the council has installed to date without any government funding).
2 d) How many on street charging points in total does your council plan to have installed by the year 2020?

If your answer to question 1 is NO, please answer question 3:

QUESTION 3

3 a) Has your council installed any on street charging points to date? If so, please provide a figure of how many on street charging points you have installed.

3 b) Does your council have any future plans, or plans already underway, to apply for funding from the government's 'On Street Residential Changepoint Scheme'?

3 c) Does your council have any plans to install any on street charging points in the future?

3 d) How many on street charging points in total does your council plan to have installed by the year 2020? Maximum of 24 however these will be in car parks, not on-street.
