### ***Electoral Register***

#### **Request:**

Under the Freedom of Information Act can you provide me with the following information:

How much has your council made through selling the a) open and b) full electoral register, and a breakdown of who had bought it each year from 2012/13 to 2017/18.

Can I also have that in £ and total amount or sales for both a and b.

In response to your request, we can confirm that we do not keep a comprehensive record of full or edited (open) register sales. However, where we have been able to identify sales from our financial records, these have been identified below.

Credit reference agencies are allowed to purchase full copies of the register which you will find listed below and members of the public and commercial organisations are allowed to purchase the edited/open register, marked in red below.
