I would be delighted if you could provide me with summaries of how much of the council's budget (£) was spent on Windsor Avenue playing fields for each of the last 8 years.

2018-2019 = £48,075.17

2017-2018 = £52,565.71

2016-2017 = £67,882.75

2015-2016 = £56,097.75

2014-2015 = £56,927.91

The above sums include repairs and maintenance costs of Windsor Avenue playing fields but exclude any expenditure on the pavilion.

May I also request details of any future developments planned for Windsor Avenue playing fields and the proposed outlay for these?

Developer Section 106 money has been secured for refurbishment of the existing traditional play area. There are no design drawings available at present however the play area will be refurbished within the existing footprint as is on site.
