Active Street Traders

Request:

I would like to know the current number of street traders you have approved and licenced to operate in your area. Please include those that trade in a market and on isolated pitches. It is essential for us that we know the number of traders that are currently active. If possible, I would also like to know the number of these which sell apparel if this information is captured.

59 current approved street trading consents.

0 current approved street traders within Wolverhampton markets.

2 current approved street traders selling apparel.

As a nice to have, but not essential, it would be useful for us to know the number of traders that have been approved and licenced to operate each year from 2013 to present (so the above information but over time).

2013 – 79 Total approved street traders (0 traders within Wolverhampton markets & 2 traders selling apparel)

2014 – 75 Total approved street traders (0 traders within Wolverhampton markets & 2 traders selling apparel)

2015 – 61 Total approved street traders (0 traders within Wolverhampton markets & 2 traders selling apparel)
