

Response to Request for Information

Reference FOI 021520
Date 2 March 2015

Renewable Energy

Request:

“Please can you tell me if your local authority is purchasing renewable energy, and if so how much?

It would be helpful if you could make the distinction between purchases and onsite renewables.

Also, can you tell me if you have a renewable energy target, and if so how close you are to achieving it.”

Wolverhampton City Council do not currently purchase ‘green’ electricity

We do not currently have a renewable energy target.
