Finance and Procurement, Efficiency and Saving

Request:

I would like to submit a Freedom of Information request to the organisation's finance and procurement department relating to contact details of people from within the organisation that is responsible for efficiency and savings.

Please find the attached file which details and list the type of contact details I require for within finance and procurement. Please can you send me their full name, actual job title, direct contact number and direct email address.

I am aware that not all organisations will have these exact job titles so please send me the closest equivalent.

In answer to your above questions, we do not have the specific posts that you are enquiring about within Wolverhampton City Council and therefore we are supplying you with one contact should you wish to contact us to discuss saving money on procurement. I hope this is of help to you.
