

Response to Request for Information

Reference FOI 0315115
Date 23 March 2015

School Places in Planning Areas

Request:

- How many planning areas in your local authority are in need of additional primary school places by:
 - a) September 2015 - [3 planning areas](#).
 - b) September 2016 - [2 planning areas](#).
 - c) September 2017 - [1 planning area](#)
 - d) September 2018 - [1 planning area](#).

Please note that the employed definition of need for the purposes of this request is when the projected pupil numbers at standard year of entry exceed currently available places.

- How many primary school places are needed in total across these planning areas (those in need of additional primary school places) by:
 - a) September 2015 - [262 places](#)
 - b) September 2016 - [189 places](#)
 - c) September 2017 - [71 places](#)
 - d) September 2018 - [71 places](#).
- For a list of all the primary-phase Free Schools that are open or approved to open in planning areas that are in need of additional primary school places by September 2015. Please include those primary-phase Free Schools that opened in planning areas that were in need of additional primary school places at the time, but are no longer in need of additional primary school places.

[The Royal School Wolverhampton \(all through provision\)](#)

- How many planning areas in your local authority are in need of additional secondary school places by:
 - a) September 2015 - 0 planning areas
 - b) September 2016 - 0 planning areas
 - c) September 2017 - 0 planning areas
 - d) September 2018 - 1 planning area.

Please note that Wolverhampton only operates one secondary planning area.

- How many secondary school places are needed in total across these planning areas (those in need of additional secondary school places) by:
 - a) September 2015 - no places
 - b) September 2016 - no places
 - c) September 2017 - no places
 - d) September 2018 - 118 places.
- For a list of all the secondary-phase Free Schools that are open or approved to open in planning areas that are in need of additional secondary school places by September 2015. Please include those secondary-phase Free Schools that opened in planning areas that were in need of additional secondary school places at the time, but are no longer in need of additional secondary school places.

No secondary planning areas require additional places by September 2015.
