Response:

In response to your request I can confirm we do not record the information in the format you have requested. In order to provide you with this information we would need to manually search all referral files which we estimate will cost more than the appropriate limit to consider your request. The appropriate limit is specified in regulations and for the Council this is set at £450. This represents the estimated cost of one person spending 2½ working days in determining whether the Council hold the information, locating, retrieving and extracting the information. Consequently the Council is not obliged under the Section 12 of the Freedom of Information Act 2000 to respond to your request.
