# Discretionary Housing Payment Application Form

## 1. Discretionary Housing Payment

If you wish to apply for a Discretionary Housing Payment (DHP) all you need do is complete and return this application form to the council.

A Discretionary Housing Payment is a discretionary award of financial help that the council can make to assist you if you are unable to meet your 'housing costs' (see below) from your available income or savings/capital and you live in Wolverhampton. A DHP can be paid in addition to the benefit and tax credits you (or your partner) already receive. The money for these payments comes from a grant given to the council by The Government. However, the grant is capped which means that it is not possible for the council to help everyone who may need assistance.

You may only apply for a DHP if you are getting **Housing Benefit**. Providing these conditions are met it does not matter whether you rent your home (or part of your home) from the council, a housing association, charity or private landlord. Any DHP award will normally be short-term or for a limited period depending upon your personal circumstances and financial position.

## Payment and further assistance

If your application for a DHP is successful and the award is for help with your rent, then your DHP will normally be paid with your Housing Benefit payments and made in the same way and at the same intervals.

Where a DHP is awarded as a lump sum (e.g. for a rent deposit/rent in advance) then payment will be made to the Wolverhampton Housing Options Rent Deposit Scheme, whereby it will be kept and safeguarded until the end of your tenancy.

The budget we have for DHPs is cash limited and has to meet many needs. For this reason even if you are awarded a DHP now, it is not certain that we would be able to provide you with financial help (or the same level of financial help) in the future. In the situation of assistance with on-going rent payments, it is expected that you will take reasonable steps to reduce your housing costs.

If your application for a DHP has been made because you get reduced Housing Benefit payments because your accommodation is viewed as expensive or you are over-accommodated (according to the regulations under which assessments are made) then you should begin looking for more affordable accommodation. Our Housing Options service (telephone: 01902 554747 or 551041) provides advice and information on such matters.

Before accepting a new tenancy with a private landlord you should check the published Local Housing Allowance rates. These detail the maximum Housing Benefit amounts that may be allowed as help towards rent payments. See [www.wolverhampton.gov.uk](http://www.wolverhampton.gov.uk) or ring 01902 551166 for more information.

If you rent your home from Wolverhampton Homes and wish to consider downsizing to a smaller property then please contact Housing Direct on 01902 556789. If you rent your home from a housing association please contact your housing provider about advice on downsizing.
