Street Names

Request:

Under the Freedom of Information act, could you tell me of all requests to change the names of streets in the past five calendar years (back to January 2010).

The details I require are:

- A) What the name of the street was
- B) What was the new name suggested
- C) Did the change take place in the end?
- D) Reason for change and who requested change (residents group etc)
- E) Postcode (so I can check location)
- F) Date of change

In response to your above questions I can confirm that Wolverhampton City Council are not aware of any requests to carry out a change of street name during the period 1 January 2010 for the past five calendar years.
