- 33.3 The Council's rights and remedies under the Contract are cumulative and may be exercisable at any time and, unless otherwise specified in these Conditions, are not exclusive of any right or remedies provided at law, in equity or otherwise.

### **34 Variations**

- 35.4 The Council may assign, novate, outsource or otherwise dispose of any or all of its rights and obligations under the Contract at any time to any person having the legal capacity, power and authority to become a party to and to perform its obligations, being:

# **ANNEX 4 – SPECIFICATION**

---

## **12 Civil Parking Enforcement**

- 12.1 **Wolverhampton City Council requires a Civil Parking Enforcement (CPE) contractor to provide an efficient, competent and high quality enforcement service across the city of Wolverhampton. The service must be carried out in accordance with the Traffic Management Act 2004 (part 6) and the contractor must demonstrate a clear understanding of this legislation and provide evidence of their experience.**
- 12.2 **The area where Civil Parking Enforcement is required is restricted to the Council administrative area contained within The Road Traffic (Permitted Parking Area and Special Parking Area) (City of Wolverhampton) Order 2006.**  
**A copy is available from the [legislation.gov.uk](http://legislation.gov.uk) website, Contractors must familiarise themselves with this document and the provisions contained within.**
- 12.3 **The Contractor will provide enforcement services within the City of Wolverhampton boundary issuing Penalty Charge Notices (PCNs). This will include all stretches of Public Highway, and the Councils 31 Surface Car Parks, 13 of which are Pay and Display. A map showing the 5 Traffic Regulation Order areas and list of all streets in Wolverhampton where a Traffic Regulation Order/restriction applies is provided in Appendix 2 and 3.**
- 12.4 **A Resident Parking Scheme is in operation for a Matchday Parking Scheme only. A list of streets in the Matchday Parking Zones is provided in Appendix 4. A full Residents Parking Scheme is not currently in operation but is being consulted upon.**
- 12.5 **A Pay by Phone service is in operation (RingGo) for off-street car parks, the contractor will monitor the system on-line to ensure that payment has been made and use appropriate GPRS technology to monitor payments for parked vehicles and enforce as appropriate.**
- 12.6 **Throughout the duration of the contract the Council reserves the right to enact new Traffic Regulation Orders and the Contractor will be required to enforce these new restrictions within the established deployment schedule.**
- 12.7 **The Contractor will pay the Council the non-discounted value for all incorrectly issued PCNs, unless the invalid PCN is removed by the Civil Enforcement Officer (CEO) and reissued correctly. In these circumstances should the driver return prior to the issue of a new PCN, the Contractor will pay the Council the non-discounted value of the PCN.**

## **13 Hours of Operation and Establishment Arrangements**

- 13.1 **The general hours of deployment are 8am to 9pm Monday to Saturday with reduced deployment of 9am to 3pm required on Sundays and Bank Holidays. However, an extension of these core hours may be required on an ad-hoc basis.**

- 13.2 The successful contractor will be responsible to the Councils Parking Services Manager.
- 13.3 13 CEO's are required to be deployed each day Monday to Saturday during the core hours and 3 CEO's are to be deployed on Sundays and Bank Holidays.
- 13.4 A flexible 6 patrol beat arrangement is required for the foot and bicycle patrols utilising a mixture of on foot and bicycle CEO's. These Beats are to cover Wolverhampton City Centre, Tettenhall, Wednesfield, Penn and Bilston. A 7<sup>th</sup> Beat is to be covered by a moped and will cover the remaining locations that are less accessible by on foot CEO's. The successful contractor is to provide and maintain the bicycles and moped, with alternatives being supplied in the event of a breakdown.
- 13.5 The management of Parking restrictions for events and the placing of cones upon request is required on an ad-hoc basis. A suitable vehicle, for example, a 7 seater, is required for the transportation of CEO's and cones. This vehicle is to be maintained, and an alternative vehicle to be supplied in the event of a breakdown.
- 13.6 The Councils CCTV enforcement car is in "unmanned" operation, Monday to Saturday covering 26 beats across the city. The contractor will supply 3 suitably qualified drivers only to cover the service requirements.
- 13.7 Car Park Operatives will be required on an ad-hoc basis for cover on the Councils Civic Centre car park, 48 hour notice will be provided if Monday to Friday, and 5 days' notice for weekend cover. An Identification Badge must be provided and worn with the contractor and Wolverhampton logo. No enforcement duties are required; the role is a security attended presence on an underground parking facility.
- 13.8 All contracted staff must be fully trained to City & Guilds Parking Enforcement Officers TMA1950 (to include conflict management).
- 13.9 It is the responsibility of the contractor to ensure that all CEO's and car park security staff are subject to full DBS checks (previously CRB checks) before being deployed and must have full DBS (CRB) clearance. Throughout the duration of the contract, the contractor will be required to provide regular evidence that such checks have been carried out for all contractors deployed in Wolverhampton
- 13.10 CEO's may occasionally be loaned to help out at other Local Authorities, e.g. Walsall Metropolitan Borough Council, including for training purposes.

## **14 Equipment Required/Supplied by Contractor**

- 14.1 The Contractor must at all times ensure the deployed CEO's are fully equipped to complete the duties required. The Council will not pay for staff time where failure to deploy staff is due to equipment shortages. The equipment required is as follows:
- 14.1.1 Conventional radios or mobile communication. Any support infrastructure for these, such as base station, power supplies, charging units, must also be provided.

- 14.1.2 Mobile Hand Held Computers (HHC) will be required for the issuance of PCNs and Mobile printers will be required to print the PCNs.
- 14.1.3 PCN stationery including PCN rolls and PCN carriers.
- 14.1.4 A digital camera and associated media cards.
- 14.1.5 A pocket book which must include suitable all weather carrier and pens.
- 14.2 All CEO's are required to have appropriate uniforms and all associated protective and safety equipment. Please refer to Appendix 5 for full details on the uniforms. The Parking Services Manager will check and approve the uniforms with the successful contractor prior to commencement of contract.
- 14.3 The stationery required for the PCNs must be sent to the Parking Services Manager for proof reading before printing.
- 14.4 All time driven equipment is to be calibrated correctly.
- 14.5 Some CEO's will require deployment as mobile enforcement units. Transport must be provided by the Contractor and be suitably maintained, safe and clean at all times. All vehicles must hold valid Insurance, MOT and Vehicle License.
- 14.6 The Contractor will undertake directly any required maintenance or support agreements from third party suppliers to ensure all equipment and supporting infrastructure (where needed) is operational. Copies of these agreements are to be forwarded to the Council at the commencement of the contract.
- 14.7 GPS tracking is required for all CEO's and vehicles and must be provided by the contractor.

## **15 Conduct**

- 15.1 All staff will be displaying the Council logo and be in the service of the Council. As the conduct of enforcement staff has a direct impact on the reputation of the Council the following conditions must be adhered to:
  - 15.1.1 All staff must provide their unique Identification number to any member of the public when requested, without exception.
  - 15.1.2 All staff must at all times be dressed in the appropriate uniform while on duty. This uniform must be clean and in good condition.
  - 15.1.3 All CEO's, at all times, must display their unique Identification number, this number must not be covered by any item of clothing.
  - 15.1.4 All staff must not use offensive, impolite or rude language, or gestures while on duty.
  - 15.1.5 The use of personal electronic equipment is not permissible while on duty, no

matter the reason. This will include cameras, video/voice recorders, personal computers, laptop computers, portable tablets, personal media players, Bluetooth headsets and personal mobile phones. Should there be specific need for a member of staff to use a personal mobile phone while on duty, this must be agreed by the Council.

15.1.6 No member of staff should enter any shop, restaurant or public facility other than necessary to perform their duties or on an authorised break while displaying either the Council Logo or their unique identification number.

15.1.7 While on duty either as a Civil Enforcement Officer or as a Car Parks Operative no officer shall smoke or consume food or drink while on patrol/duty.

If there is a breach of any of these conditions then, at the Council's request, the Contractor will be required to permanently remove the offending individual from service within the Council operation. The Contractor will not pass on any expense relating or arising from such action. In less severe instances, and at the Council's discretion, the Council may withhold a payment for part or a whole shift.

15.2 The Contractor will be required to produce a full code of conduct for all staff, which must in part be based on the details contained within this specification.

15.3 The Council reserves the right to instruct the Contractor to remove any member of staff, without consequence. The Council will provide the reason for the request and the Council's decision is final.

## **16 Professional Standards and IT**

16.1 The successful contractor must be a member of the British Parking Association (BPA) and the Security Industry Authority (SIA) Approved Contractors Scheme (ACS). The successful contractor will be required to show evidence that they hold the appropriate certification.

16.2 The successful contractor must ensure that staff are looked after and protected and that they have a high level of welfare due to the sensitive nature of the business.

16.3 All back office functions in regard to the progression of PCN's and parking administration is undertaken by the Council. The successful contractor must be fully conversant, including a high level of knowledge, with the Chipside software, the IT system in operation at the Council.

16.4 Wolverhampton City Council is committed to the use of innovative technology to ensure the enforcement service is future proof, efficient and cost effective. The successful contractor will share and demonstrate this commitment.

16.5 Tenderers should note that the Council is looking to introduce more innovative technologies during the course of the contract, such as using Live Hand Held Computers with GPRS. It should be noted that this may reduce the number of CEO's

required.

## **17 Continuity**

- 17.1** A continuity plan that includes fail back arrangements for the loss or prolonged interruption of the network provision to facilitate uploads or transfer of data is required.

## **18 TUPE**

### **18.1 Transferring employees**

The Council envisages that the staff working on the current service shall transfer to the Contractor or its subcontractors, under TUPE along with the Services. These employees are currently employed by:

- The incumbent supplier (Third Party Employees).

Provisional lists of the Third-Party Employees are contained in Appendix 6 (a and b).

Tenderers' pricing models must include the costs associated with the TUPE transfer of these employees. If the costs associated with a TUPE transfer (including pensions costs) are subsequently found to be lower than envisaged, the Service Provider shall make a corresponding reduction in the contract price.

### **18.2 Pension requirements**

Employees transferring from the incumbent provider, APCOA who previously transferred from the Council and are either members of or eligible for membership of Local Government Pension Scheme must be offered appropriate pension provision.

In accordance with the *Cabinet Office: Statement of Practice on Staff Transfers in the Public Sector*, it is a condition of the Contract that the new employer offers these employees membership of a pension scheme which has been certified by the Government Actuary's Department (GAD) as broadly comparable to the Local Government Pension Scheme.

The Council must see a copy of the GAD certificate before the transfer date. In addition, the costs and terms applicable to the bulk transfer of accrued benefits must be clearly provided for in the Tender.

Tenderers are asked to include indicative costings of their proposed pension provisions.
