Adult Social Care Budget

Request:

Wolverhampton's spending power calculation has been projected to be £2,416.90 by 2016, a rise of 6.28% since 2012. Please can you tell us whether:

- a. This reduction is expected to be passed directly to adult social care budgets in 2016
- b. Adult social care budgets should expect a greater reduction
- c. Adult social care budgets should expect a less reduction

Response:

In response to your request we can confirm the Council's Medium Term Financial Strategy including savings proposals across Adult Social Care Budgets totalling in the region of £7 million for 2016/17

The council is currently working to identify further savings which may for 2016/17 onwards which may include proposals from Adult Social Care budgets.
