

## Response to Request for Information

Reference      FOI 06153  
Date            01 June 2015

### ***Business Rate Accounts***

#### **Request:**

I hereby request a list of Business Rate accounts that meet the following criteria:

- Current overpayment/credit shown for any financial year if credit balance hasn't been carried forward.
- Accounts where a 'write on' has been used since 1st April 2000 to cancel an overpayment which has not since been reversed.

I would request that the list contains the following information:

- Ratepayer name (Information is only requested where the ratepayer is a company and not an individual as I appreciate this is limited by the Data Protection Acts).
- Address of property concerned.
- Amount of overpayment/write on.
- If possible, the period/financial year relating to overpayment/credit/write on.

#### **Response:**

See our response below.

(Please note that the data set will also include some accounts where the write-on was to reverse an amount previously written off as it has not been possible to exclude all such instances).
