### ***Homecare***

#### **Request:**

Under the Freedom of Information Act 2000, please provide me with the following information, correct at the time of writing:

- **The total number of homecare providers (acting individually, or through a representative association) that have, since August 2014, approached the council to renegotiate the price the council pays for their services.**  
[Wolverhampton City Council re tendered its Homecare Services in 2012, the rates paid therefore are subject to contractual agreement and not subject to "ad hoc" requests for increases or renegotiation.](#)
- **The total number of service users who had their care package terminated, or 'handed back' to the council, by a care provider since August 2014. Please provide a breakdown of the reasons, where known.**  
[The City Council has not experienced this during the specified timeframe](#)
- **The number of service users who have had their care package terminated or transferred to a different provider since August 2014, because the originally contracted care provider has (or intends to) cease trading.**  
[The City Council has not experienced this during the specified timeframe](#)
