

## Response to Request for Information

Reference      FOI 0815141  
Date            26 August 2015

### ***Spending on Different Public Health Concerns***

**Request:**

I'm writing to request statistics for the following:

The separate annual spend on each of these public health areas:

Sexual Health  
[£2,942,020](#)

Drug misuse – adults  
Alcohol misuse  
[Total contract value £5.4 million, it is not possible to break this down between sectors as it is one contract.](#)

Smoking  
[Drugs NRT £182,000, Smoking Intervention £3,600, Nicotine Replacement £28,000, Schools Smoking Programme £9,500 Schools Smoking Initiatives £20,500.](#)

Obesity  
[Adult Weight Management £125,000, Five Star Families £50,000](#)

Physical activity  
[Initiatives £80,000](#)

I am requesting the spend for each of the public health concerns for the coming year 2015/16.

Where the spend is spread across multiple brackets through schemes or initiatives which will, for example, focus on obesity and physical activity, please apportion the correct amount of funding that has gone to each sector's outcomes. Where this is not possible, please spread the cost evenly over each appropriate category.
