

Response to Request for Information

Reference FOI 0815153
Date 28 August 2015

Bus Lane Enforcement

Request:

Please provide details of the number of bus lane enforcement cameras that are in operation in the area covered by the authority. If there is a difference between the number of camera sites and the number of cameras themselves, please provide both figures.

[Six cameras at six locations.](#)

Please give details of any cameras and/or sites that have been added since January 2013, including the number of additional cameras/sites and their locations.

[See response above.](#)

If CCTV cars are used to enforce bus lanes, then please list the number of cars used, including the figure for those that have entered service since January 2013.

[CCTV cars are not used to enforce bus lanes.](#)

Please provide the total length of bus lanes in the local authority. Please provide details of any additional lanes that have been added since January 2013. This should include their length and the name of the road that they are on.

[We do not currently measure the length of bus lanes. The name of each bus lane/gate can be found in the link provided](#)
<http://www.wolverhampton.gov.uk/buslanes>

[Added since January 2013 – Victoria Square.](#)

Please provide the number of fixed penalty notices that were issued for bus lane offences in the financial year 2014/15 and in the current financial year.

[No Penalty Charge Notices were served for Bus lane enforcement in financial year 2014/15.](#)

[In financial year 2015/16 to date, 13,241 Penalty Charge Notices have been served for Bus lane contraventions.](#)
