Stress Leave

Request:

Under the Freedom of Information Act I seek the following information:

1. The number of social workers currently on stress leave.
2. The longest an individual social worker has been on stress leave.
3. The number of social workers who went on stress leave for the following years 2014/15, 2013/14, 2012/13.

Response:

In response to your request we can confirm that The City of Wolverhampton Council does not recognise the term "stress leave". We have a generic management of attendance policy for absences across the whole council.
