

## Response to Request for Information

Reference      FOI 101547  
Date            8 October 2015

### ***School Bus Services***

**Request:**

Under the Freedom of Information Act, please could you provide me with the number of children who have had their right to travel on school bus services suspended over the past five years.

If possible, please provide me with details of how long each suspension was for (temporary (with number of days if possible) or permanent), the reason for the suspension, and the age or school stage of the pupil.

Following reasonable enquiries, it has been established that the Council does not hold the above information as individual schools handle their own school bus services. Consequently, we are unable to provide any information relating to the above, as per Section 1(1)(a) of the Act:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".
