

## Response to Request for Information

Reference      FOI 101554  
Date            9 October 2015

### ***Household Waste Recycling Centres***

**Request:**

Could you please provide the following information in respect of each of the Council's Household Waste Recycling Centres that are located within the administrative boundary of your authority:

- 1- The address/ location of each site

Following careful consideration, the information you requested concerning the address/location of each site falls under the exemption(s) in section 21 of the Freedom of Information Act 2000 ("The Act"), which relates to 'information reasonably accessible to the applicant by other means'.

The exemption applies as the information is published and publicly-available to view by accessing <http://www.wolverhampton.gov.uk/article/1758/Household-Waste-Recycling-Centres-rubbish-tip>

- 2- Details of the days / times each site is open during the week, and any variations applicable for summer or winter opening

Following careful consideration, the information you requested concerning the address/location of each site falls under the exemption(s) in section 21 of the Freedom of Information Act 2000 ("The Act"), which relates to 'information reasonably accessible to the applicant by other means'.

The exemption applies as the information is published and publicly-available to view by accessing <http://www.wolverhampton.gov.uk/article/1758/Household-Waste-Recycling-Centres-rubbish-tip>

- 3- A breakdown by tonnage of all waste / material streams received at each site for each of the last 3 years (2012/13 to 2014/15). Please provide this in excel format if possible

Material stream	2012/13		2013/14		2014/15	
	Anchor	Shaw	Anchor	Shaw	Anchor	Shaw
Incineration	2,582.58	2,133.82	2,597.36	2,518.72	1956.96	2,392.76

Books	3.82	2.01	3.89	2.18	3.04	0.27
Tetra	0.48	0.06				
<b>Total</b>	<b>10,234.51</b>	<b>9,609.14</b>	<b>11,438.57</b>	<b>10,898.65</b>	<b>9774.408</b>	<b>10,762.75</b>

- 4- Name of the Contractor operating each site on your behalf  
Amey
- 5- Date on which the current contact for each site commenced  
April 2006
- 6- Anticipated expiry date of current contract for each site  
Current anticipated expiry date is March 2020
- 7- Number of attendants on each site, including any variations for peak periods  
Five operatives per site Monday to Friday  
Four operatives per site Saturday and Sunday

- 8- Details of whether haulage operations at each site are carried out by the contractor operating the site (either directly or on their behalf by a subcontractor)  
Scrap metal, textiles, wood, fluorescent tubes, CRTs, Fridges/freezers, SDAs and LDAs, hazardous waste, waste oil and cooking oil are collected by suppliers and transported to the disposal locations. The remaining materials are transported by the operators on site to the disposal locations i.e. garden waste, rubble, paper/glass/cans, cardboard, general household waste, landfill waste.
- 9- Approximate annual value of the contract for operating each site (excluding disposal costs / revenues from sales)  
We cannot provide you with two separate figures for each site as the contract forms part of the whole contract value. Therefore, the current annual contract value is £17.7 million.
- 10- Details of whether the contractor or the local authority is responsible for making the arrangements for the disposal / recycling of materials delivered to site  
Contractor responsible for making arrangements for disposal/recycling of materials delivered to site.
