A total of 36 staff work at Wolverhampton Archive Local Studies based at the City Archive at Molineux Hotel Building.

How many of the staff, Full, Part-time and volunteers have a CRB disclosure?
CRB's ceased on 30 September 2012. CRB's were replaced by the Disclosure and Barring Servicer (DBS) and our posts do not require a DBS check under the revised regulations and therefore none of the staff have been DBS checked.

Do all the staff, Full, Part-time and volunteers have access to the secure repository?
All archive staff have access to the secure repository. Volunteers can only access secure repository when accompanied by an employed member of staff and are supervised.
