Response to Request for Information

Reference FOI 111536
Date 9 November 2015

Child Welfare and Health

Request:

. Is there a way that Local Authorities can promote healthy play by providing the community with information on these free play areas.

All of Wolverhampton's parks and open spaces play facilities including two paddling pools are free of charge. Please also see link below which will provide you with information relating to the above.

. Can the Local Authority work with the connecting NHS Trusts to ensure children are healthy and in the future minimise the impact this has on the NHS system.

Yes we are looking at an intuitive that involves medical practices close to outdoor gym area in our parks being used as part of rehabilitation for their patients by training them to use the equipment
