What happens next?

The Customer Relations and Complaints Manager will get in touch with you to talk about what you have told us and let you know what we will do.

We will keep the details of your comments confidential and only tell people who need to know to help you.

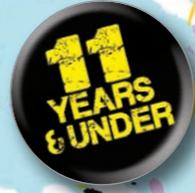

If you need help in explaining your feelings we will arrange for a person called an advocate to help you.

things you want to say...

What you might want to talk about

If you are happy or unhappy with any service you receive from us you can let us know.

For example:

- ▶ if you are living with foster carers or in residential care
- ▶ If you are receiving day services or 16+ services
- ▶ If you have been told you can't have a service that you think you should receive

If you have a suggestion on how we can do better we would like to know about that too!

whatever you say...

We will listen and we will help

- ▶ We'll take what you say seriously
- ▶ We'll try to put things right quickly
- ▶ We can get someone independent to help you to complain if that is what you want
- ▶ We'll make sure you have a say
- ▶ We'll keep you up to date with what we are doing
- ▶ We'll always explain our decisions
