1.0 Purpose of Guidelines

1.1 Licensing issues are dealt with by both Councillors and employees. Employee is defined to include Head of Governance, Service Managers from within Governance Services, Section Leaders from Licensing Services.

1.2 This document provides guidance outlining how drivers/proprietors of hackney carriage and private hire vehicles and operators can expect to be treated. In particular, but not exclusively it will affect:

- Applicants for driver’s licences.
- Applicants for operators licences.
- Applicants for vehicle licences.
- Existing licensed drivers, operators and vehicle proprietors whose licences are being renewed or reviewed.
- Magistrates hearing appeals against Local Authority decisions.

1.3 Whilst employees and Councillors will have regard to the guidelines, each case will be considered on its individual merits, and where reasonable, the Employees/Committee may depart from the guidelines.

1.4 Any decision to suspend, revoke, refuse to grant or renew a licence will be applied to an applicant/licence holder who is considered not to be a ‘fit and proper’ person to drive hackney carriages or private hire vehicles. The application of the Human Rights Act will be considered carefully and balanced against the overriding consideration to protect the public.

1.5 The Licensing Committee is concerned to ensure:

- That a person is a fit and proper person.
- That a person does not pose a threat to the public.
- That the public are safeguarded from dishonest persons.
- The safeguarding of children, young and vulnerable persons.
1.6 Under the provisions of Sections 51, 55, and 59, Local Government (Miscellaneous Provisions) Act 1976, the licensing authority is required to ensure that an applicant for the grant or renewal of a hackney carriage and/or a private hire vehicle drivers’ licence and/or private hire vehicle operator’s licence is a ‘fit and proper’ person to hold such a licence. However, if an applicant has any convictions, warnings, cautions or charges awaiting trial, the licensing authority will look into:

- How relevant the offence(s) are to the licence being applied for
- How serious the offence(s) were
- When the offence(s) were committed
- The date of conviction
- Circumstances of the individual concerned
- Sentence imposed by the court
- The applicant’s age at the time of conviction.
- Whether they form part of a pattern of offending
- Any other character check considered reasonable (e.g. personal references)
- Any other factors that might be relevant

1.7 Section 61 and Section 62 of the Local Government Miscellaneous Provisions Act 1976 allow the local authority to suspend, revoke or refuse to renew a licence for failure by the licence holder to comply with the provisions of the Town Police Clauses Act 1847; failure to comply with the provisions of Part II of the Local Government (Miscellaneous Provisions) Act 1976; or any other reasonable cause to include where an applicant/licence holder has any convictions, warnings, cautions or charges awaiting trial for offences or behaviour outlined in the guidance and matters referred to in the list above at 1.6 can be considered.

1.8 The Rehabilitation of Offenders Act 1974 (Exceptions)(Amendment) Order 2002, allows the local authority to take into account all convictions recorded against an applicant or the holder of a private hire vehicle or hackney carriage driver’s licence, whether spent or not. Therefore the local authority will have regard to all relevant convictions, particularly where there is a long history of offending or a recent pattern of repeat offending.

1.9 In this policy the term “disqualification” refers to the period served, in order to take account of the fact that a court may reduce the period of disqualification from driving. An applicant must provide evidence in advance to prove that the court agreed a reduction in the period of disqualification.

1.10 In appropriate circumstances a suspension, refusal to renew or revocation may be abated by the licence holder demonstrating to the satisfaction of the Council that they have successfully completed and passed appropriate training which should be evidenced in writing to the Council.

2.0 Relevant Convictions, Cautions/Fixed Penalties and Persons Charged with a Serious Offence(s)

2.1 New Applicants

2.1.1 A conviction/caution or relevant information relating to the alleged committing of an offence falling within any of the categories outlined in Section 5.0 of this document will result in a new applicant for a hackney carriage or private hire vehicle driver’s/operator’s licence being referred to the employees to determine the application.
2.2 Existing Licence Holders

2.2.1 A conviction/caution or relevant information relating to the alleged committing of an offence falling within any of the categories outlined in Section 5.0 of this document will result in an existing hackney carriage or private hire driver’s/proprietor’s/operator’s licence being referred to employees to determine a course of action detailed in Section 5.0 below. (In the event of a serious breach or allegation in respect of a licensed operator, the matter will be referred to Licensing Committee for consideration).

2.2.2 In cases where it is in the interests of public safety, the employees or Councillors may suspend, or revoke a driver’s licence with immediate effect following a review. In such cases a statement that this is so and an explanation will be given as to why it is in the interests of public safety to suspend, or revoke immediately and suspension/revocation takes effect when the notice is given to the driver.

3.0 Complaints

3.1 A complaint relating to the conduct of an operator, hackney carriage driver, private hire vehicle driver, proprietor of a hackney carriage or proprietor of a private hire vehicle may, depending on the severity of the allegations, result in a written warning or suspension of the licence.

4.0 Further Guidance

4.1 Where an application is made for a new licence, and the applicant has previously held a hackney carriage or private hire drivers, proprietors or operator’s licence or on review of an existing licence and relevant convictions have previously been considered in decision making by the Local Authority in connection with any further or existing licence any decision on a new application or on review will normally be made by the employees or Licensing Committee, with reliance only on any relevant convictions or behaviour which have arisen since any previous application or review. However, there will be occasions when previously considered convictions or behaviour will be of value and can be referred to in order to indicate a pattern of behaviour which may result in them again being considered in decision making particularly if the conviction(s) is/are of a similar nature to those which have arisen since any previous application or review.

4.2 Normally an applicant or licence holder whose application/licence is subject to a formal review hearing will be advised in writing and/or by email of the date and time of the meeting. He or she has the right to appear in person at the hearing to give verbal or written information in support of the application/licence and to be represented if required. If the applicant or licence holder fails to attend the review hearing without reasonable excuse, the determination or review may proceed in his or her absence.

4.3 In all cases involving suspension, revocation and refusal to grant or renew the applicant or licence holder has the right to appeal against the decision of the Licensing Committee or the employees through the Magistrates Court.

4.4 For the avoidance of doubt where a person is sentenced to a period of imprisonment or detention at a Young Offenders Institution reference to expiry of sentence shall be deemed to mean expiry of the actual term imposed and not any earlier release date.
4.5 Any person who has been cautioned for an offence will be dealt with using the criteria relating to convictions.

4.6 Decisions will normally be made in accordance with these guidelines; however each case will be decided on its merits. Regard will be had to:-

(a) The nature of the offence.

(b) The age of the individual concerned at the date of the offence.

(c) Whether the driver was acting as a private hire or hackney carriage driver at the time. In the case of an operator, whether the operator was acting in the course of business as a private hire operator at the time.

(d) Any other relevant circumstances.

Dependant on the facts and where deemed appropriate the employees may make a decision contrary to that suggested by the guidelines or where appropriate refer a matter to Councillors of the Licensing Sub-Committee for decision. Where decisions are made which are contrary to the guidelines or where the matter is referred to the Licensing Sub-Committee employees will give reasons for this.

4.7 Any list of offences outlined in section 5.0 of this report, show examples of the type of offence in a particular category. The lists are not exhaustive and offences outside of these examples may be considered by the employees/Committee.

4.8 Hackney carriage and private hire vehicle drivers should be able to communicate satisfactorily in English with customers, in order to be considered a fit and proper person to hold a Licence. Not being able to communicate to a satisfactory level may result in refusal to grant or renew, suspension or revocation of a licence.

4.9 In order for an applicant or licence holder to be considered a fit and proper person to hold a licence their standard of driving should be at a satisfactory level. This level is to be determined by the Local Authority and in appropriate cases further driver training assessment may be deemed necessary. Evidence of driving ability which is below the satisfactory level required may result in refusal to grant or renew, suspension or revocation of a licence.

5.0 Determination of Action to be Taken

5.1 In determining the course of action to be taken in connection with an application for a hackney carriage, proprietors or drivers licence, private hire vehicle or driver’s licence, or private hire vehicle operator’s licence or the review of an existing driver’s licence or operator’s licence, or proprietor's licence the following sanctions will be applied as a guide. In all cases where it is possible to calculate two or more different periods of time, the calculation which results in the longer period shall be used or both periods of time may be considered consecutively or concurrently at the discretion of the employees/Councillors.
5.1.1 Minor Traffic Offences

The Licensing Committee takes driving offences very seriously, particularly when the applicant displays a pattern of offences.

(a) Single offences resulting in a maximum of 3 current penalty points relevant for ‘Totting Up’ purposes as outlined at 5.1.2 – Issued with written warning. A new licence will normally be granted with a warning.

(b) Repeat offences resulting in a combined total of 6 current penalty points relevant for ‘Totting Up’ purposes as outlined at 5.1.2 – Issued with final written warning. A new licence will normally be granted with a warning.

(c) Repeat offences resulting in a combined total of 9 or more penalty points currently relevant for totting purposes as outlined 5.1.2 – normally revoke or refuse to renew. A new licence will not normally be granted.

5.1.2 “Totting Up” – Section 35 Road Traffic Offenders Act 1988

If the total number of penalty points reaches 12 or more within 3 years the driver is liable to be disqualified from driving under the “Totting Up” procedure.

(a) First offence – will normally revoke or refuse to renew. A new licence will not normally be granted until a period equal to the length of the disqualification has elapsed since the end of the disqualification period.

(b) Repeat offences – will normally revoke or refuse to renew. A new licence will not normally be granted.

5.1.3 Major Traffic Offences (Other than drink driving and drug offences)

A major traffic offence is a road traffic offence (other than for totting and drink driving) that can result in four or more penalty points and/or a period of disqualification and/or imprisonment.

For the purpose of these guidelines the following motoring offences are classed as ‘Major Traffic offences’. However, this is not an exhaustive list.

This may mean a licence is suspended, revoked, a renewal of a licence or a new licence is refused. The power to suspend or revoke immediately as set out in section 2.2.2 may also be used in these circumstances if it is in the interests of public safety.

5.1.23 Mobile Phones

This type of offence is treated very seriously as it increases the likelihood of an accident.

A hackney carriage or private hire licence is a badge of approval, it states the Local Authority feels the holder is fit and proper and suitable in every way. The standard of behaviour and level of trust expected should be demonstrated in the conduct of those licensed at all times. This includes when drivers are operating outside of Wolverhampton, where drivers are expected to cooperate with reasonable requests from compliance staff authorised in other areas.
If the applicant or driver/proprietor/operator licence holders behaviour falls below that expected from a licence holder the following will apply;

(a)  *First instance* – will normally suspend for up to 12 months, or refuse to renew. A new licence will not normally be granted for 12 months following a relevant incident or the outcome of any review hearing in relation to the incident, whichever is the later.

(b)  *Repeat instance* – will normally revoke or refuse to renew. A new licence will not normally be granted for 3 years following a relevant incident or the outcome of any review hearing in relation to the incident, whichever is the later.

It should be noted that conduct is a wide open area and as such there may be occasions where one incident falls so far below the standards expected that a refusal, revocation, suspension or refusal to renew is felt the appropriate course of action, even in the first instance. This may include factors such as improper conduct in other areas, the severity of the conduct, the involvement of passengers or other aggravating factors.

### 5.1.26 Driving Standards

In the case of a new application or an application to renew a licence if the applicant fails to provide satisfactory documentary evidence from the Home Office of a legal right to work in the UK as a Hackney Carriage and or/Private Hire Vehicle driver and failure to do so will result in refusal of any application.

Failure by an existing licence holder to provide satisfactory documentary evidence from the Home Office of a legal right to work in the UK as a Hackney Carriage and or/Private Hire Vehicle driver will result in revocation.

End.
